Naxsi performance measurement
Performance of a whitelist WAF

Lutz Engels   Dennis Pellikaan

University of Amsterdam
System and Network Engineering

March 26, 2013

Outline

What is a WAF?

- Web Application Firewall

-

What is a naxsi?

- It's a WAF for nginx
- Nginx Anti Xss & Sql Injection
-

Naxsi request flow

- Oui!
- Sis is mooi sjrafiek

Whitelist processing

-
-
-

Experimental setup

Research Question(s)

"How does a webserver perform with the use of Naxsi as the front-end firewall compared to a webserver without a Naxsi firewall?"

Research Question(s)

"What is the baseline performance of the Nginx firewall without the usage of Naxsi?"
